What is Young Leaders Academy?

Young Leader's Academy is a Postgraduate Certificate Program for stellar graduates and young professionals to develop leadership potential through an industry-recognized work-study program.

How will the program benefit me?

The program helps you develop management potential and professional competencies through experiential, case-based learning along with a thorough work-immersion experience.

The Cost : 75000 + GST

How does it work?

Students undergo modules every alternate Saturday for 1 year in critical areas such as negotiation skills, finance, product strategy, etc. Simultaneously, you are connected with our corporate partners where you will be working during the weekdays, in a skill track of your choice.

Can you guarantee a particular salary? Can you guarantee a job with a big MNC?

At Talerang, we ensure we give you opportunities that play to your strengths and interests. The focus is not on the scale or type of organization but the learning and growth potential. The salary will depend on your qualifications, the role, industry, etc., and cannot be determined in advance. Having said that, we will consider your preferences as best as we can. We have placed our alumni like Prakhar Jha at Filter Copy and Digvijay Goswami at Harvard Business School India Research Center.

Can I avail the benefits of the internship/jobs without attending the training?

You will need to attend the Young Leaders Academy Bootcamp training and complete your skill track project to be eligible for the internship.

Who can I connect with if I have any doubts?
